"The unit arrived yesterday, thank you for such a quick delivery. The unit is very quiet. 9 hours sleep! Uninterrupted, Wow... That is a first for many years. My wife was amazed, I did not snore at all. (and thats a first, ever!) I did 'not' toss and turn all night. I feel .. ummm... Awake today! I'm at work and not falling asleep. I'm really happy! it's been so long to get some real sleep. It's a life changer. A BIG thank you."
